Direct Consumer Service Division

*for SCVRD employees
who provide direct
services to consumers*

Direct Consumer Service Division

Collaborate with colleagues and others in direct contact with consumers to promote professional development and growth.

DCSD actively supports the objectives of SCVRA by...

- Promoting a better understanding of the needs of South Carolinians with disabilities seeking to obtain and maintain competitive employment.
- Encouraging training, education, and learning opportunities for staff providing direct consumer services.
- Promoting professionalism, partnership and a sense of wholeness between SCVRD, community organizations, and individuals with disabilities.
- Sponsoring or promoting professional and social activities which inform individuals with disabilities, businesses and other community organizations of the services provided by SCVRD and determine needs and concerns regarding disability related issues.
